★ **Eagles Nest** New Zealand 96.67

On a 75-acre estate on North Island, the five private villas at Eagles Nest overlook the Bay of Islands. In addition to the great views, the villas also offer comfort, privacy, style and good service. Chefs cook for guests in their villas; guides are available for hikes and bike tours; massages and fitness sessions can be arranged. Other

activities include waterskiing, diving, kayaking and golf. And Eagles Nest's large wine cellar stocks the best of New Zealand and Australian wines.

X-factor Each villa is beautifully designed, with glass walls, huge decks and chrome-and-marble bathrooms. Four of them have infinity-edged pools.
